

"I am deeply committed to providing a compassionate and respectful environment for many patients. I work with each patient individually to help them begin the treatment plan that will best and most effectively address their individual needs. As a father, who has been blessed with 2 beautiful children and losing another, I can relate to the happiness and sadness of parenthood." — **Dr. Sonny J. Stetson**

#### MEET OUR INTERNATIONAL MEDICAL & SCIENTIFIC DIRECTOR (Lic.1639755/117765)

Dr. Sonny J. Stetson is devoted to helping patients who are struggling with infertility. His professional career, unrelenting medical education, and personal achievements have positioned him as the International Medical & Scientific Director at the LIV Fertility Center.

Through integration of fertility acupuncture in the USA, diverse fertility methods, western medical diagnostics, and evidence-based research, Dr. Stetson has helped thousands of patients overcome their fertility obstacles and make their dreams of parenthood a reality.

Dr. Stetson attended the prominent Universidad Autónoma de Guadalajara (UAG), the high-status Baylor College of Medicine, and St. Mary's University. He has written numerous books, published over 30+ international journals and has citations in over 500+ medical journals. He has collaborated with 50+ co-authors and has been cited by 1400+ authors worldwide — and is an active clinical researcher, and lectures extensively at conferences in the USA, Europe, Asia, and Latin America.

As an expert fertility specialist, Dr. Stetson is a prestigious member of many professional organizations, including the American Society for Reproductive Medicine (ASRM), European Society of Human Reproduction and Embryology (ESHRE), British Society for Neuroendocrinology (BSN), Reproductive Biomedicine Online (RBM), Preimplantation Genetics Diagnosis International Society (PGDIS), International Society Fertility Preservation (ISFP), Global Fertility Academy (GFA), American Physician Scientists Association (APSA), Leading Physicians of the World (LPW), and the Continental Who's Who Registry of National Business Leaders.

Behind an all-encompassing and monumental resume, Dr. Sonny is seamlessly fluent in English and Spanish. He enjoys reading clubs and creative-writing workshops, volunteer work, running, and is an avid golfer.
